ROSEN AVIATION

Rosen Aviation is not an ordinary company. Convention and rule following may be advantageous in some environments, but we prefer the benefits of continual evolution and trust. Complying with detailed job descriptions may be comfortable, but we prefer that you decide how outcomes are achieved. In short, we seek colleagues who are devoted to accomplishment, and thrive in exercising their freedom to achieve them. You might be one of us if you:

- Prefer candor and debate over consensus and harmony
- Want to be rewarded for your accomplishments, not your actions
- Constantly seek new knowledge because of your enthusiastic curiosity
- Embrace accountability as an opportunity to shine
- Do the right thing, even when no one is looking

Rosen Aviation was founded in 2002. Our business builds the software and hardware that are utilized in-cabins throughout the business jet industry from Gulfstream and Cessna to Embraer and Bombardier, even Boeing We're headquartered in beautiful Eugene, Oregon.

Position Summary:

Procures material to fulfill material plan/demand. Supports work related to new technologies and provides functional perspective to continual improvement and organizational strategy. Negotiates long term pricing, cost reduction activities, and manages approved suppliers.

Desired Results:

- Analysis of MRP output and acts as necessary (new orders, re-scheduling, cancellations, expediting, etc.)
- Quoting activities.
- Monitors the performance and capabilities of the supply base.
- Actively interfaces with supplier to place, expedite and follow up on orders.
- Seeks new sources of supply as necessary.

Qualifications and Critical Skills:

- Negotiation skills
- Inventory Management
- Contract Review and Negotiation
- Purchasing MRP utilization
- Excellent communication skills
- Work ethic and integrity
- Extensive experience with MRP/ERP systems
- Familiar with purchasing/sourcing strategies
- Desired: Degree in Electronics or Business

- Desired: Experience with ISO 9001/AS9100 environment

Benefits:

In joining the Rosen team you'll surround yourself with like-minded colleagues, and enjoy our many workplace benefits, such as:

- Profit sharing
- On-site exercise facility & healthy food program
- Full suite of medical, dental, and vision benefits
- Employer paid life, disability, and AD&D insurance
- 401(k) retirement plan with company-matching benefit
- PTO beginning at 26 days per year

Physical, Ergonomic and Environmental Considerations:

- Primarily works in a factory environment with moderate exposure to noise, chemicals and machinery
- Occasionally moves materials and parts weighing up to 20 pounds
- Must be able to remain in a stationary position 75% of the time
- Frequently operates a computer and other office productivity machinery, such as copy machine and printer

Confidence can sometimes hold us back from applying for a job. But we'll let you in on a secret: there's no such thing as a 'perfect' candidate. Rosen Aviation is a place where everyone can grow. So however you identify and whatever background you bring with you, please apply if this is a role that would make you excited to come into work every day
